

May 16, 2022

Dear CFHS Emerald Booster Club Friend:

As a valued member of our community, the Clear Falls High School Emeralds Dance Team would like to ask for your support by becoming a sponsor for the 2022-2023 school year. The Emeralds perform year-round at football games, basketball games, various community events, competition, as well as produce an annual spring show. They are currently entering their 13th year as a team and have grown in size and talent. The Emeralds have become a well-established team among the dance community. They have won many awards for choreography, precision, technique and showmanship. This past competition season, they attended a Nationals Competition for the first time and were awarded the title of National Champions!

While excelling in performance and competition, the Emeralds also serve as role models and ambassadors for our school and throughout the community. The continued success of the team will be achieved this year through the dedication and hard work of these young ladies, but also through the support of their parents, friends, as well as community businesses and organizations. The Emeralds Booster Club is committed to providing financial support to the dance team and as such must raise funds for a variety of purposes including costumes, competition fees, props, and choreography. As a non-profit organization, the Emeralds must look to the community for assistance in meeting these financial obligations. Through generous donations, the Emeralds will be afforded the opportunity to enhance their dance skills as well as perform at various dance competitions and events.

The businesses and individuals who choose to financially support the team will be making a huge difference in their continued success. On behalf of the Clear Falls Emeralds and the Booster Club, we thank you in advance for your consideration and support.

Sincerely,

Kimberly Lee
1st Vice President
